DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents

The reply filed on August 19, 2003 is not fully responsive to the prior Office Action (Paper No. 10) because of the following omission(s) or matter(s): the responses regarding claim rejection under 35 U.S.C. §101 and under 35 U.S.C. §112, 1st paragraph are apparently copied from an appeal brief from another case because the arguments are not specifically directed at the rejection of claims set forth in Paper No. 10, mailed on November 4, 2002. An amendment that specifically addresses the claim rejection set forth in the prior Office action needs to be submitted. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ~~10 MONTH OR THIRTY (30) DAYS~~ from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ruixiang Li whose telephone number is (703) 306-0282. The examiner can normally be reached between 8:30 am and 5:00 pm, Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yvonne Eyler, can be reached on (703) 308-6564. The fax phone number for this Group is (703) 305-3014 or (703) 308-4242.

Communications via Internet e-mail regarding this application, other than those under 35 U.S.C. 132 or which otherwise require a signature, may be used by the applicant and should be addressed to [yvonne.eyler@uspto.gov].

All Internet e-mail communications will be made of record in the application file. PTO employees do not engage in Internet communications where there exists a possibility that sensitive information could be identified or exchanged unless the record includes a properly signed express waiver of the confidentiality requirements of 35 U.S.C. 122. This is more clearly set forth in the Interim Internet Usage Policy published in the Official Gazette of the Patent and Trademark on February 25, 1997 at 1195 OG 89.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 308-0196.
